Dear Day:

On behalf of Texas Safety Association, I want to express appreciation for your successful efforts in finding lease space for the association.

Your task was not easy. I realize the challenge of our requirements: combined office/warehouse space to be located and occupied in a very short time frame in a very tight lease market.

We appreciate your professionalism and good humor in working with us relentlessly until the job was accomplished to our satisfaction.

It would be my pleasure to serve as a reference for you.

Again, thank you. And, keep those safety belts buckled!

Sincerely,

Ann M. Streetman  
President
